☐ Please keep me up to date with what's on at the Gallery

### Who was Timothy?

### Who was Gilbert White?

Timothy the tortoise was Gilbert White's special pet. Gilbert wrote a book called *The Natural History of Selborne* in 1789, which has inspired generations of people to enjoy and care for the natural world that is all around us. Gilbert expressed his love of nature through writing. Other people have been inspired to draw the wonderful things Gilbert wrote about including his famous pet, Timothy the tortoise.
